SUMMARY

A highly motivated fresh graduate in Computer Science with a solid foundation in web development and programming. Proficient in WordPress, HTML, CSS, and PHP, with hands-on experience in building and managing responsive websites. Completed internships involving real-world website design, content creation, and basic e-commerce integration. Eager to contribute as a junior web developer in a dynamic team environment and grow within a fast-paced tech industry.

WORK EXPERIENCE

Web Developer, Multimax Sales and Services Sdn Bhd - Ampang **May 2025 - Present**

- Developed websites using WordPress with the BizFlick theme for layout customization.
- Implemented All in One SEO (AI-powered SEO plugin) to enhance search engine visibility.
